### FDA Recall of Saline

#### Summary

The U.S. Food and Drug Administration (FDA) recently issued a [Safety Communication](#) warning consumers, health care providers, and health care facilities not to use recalled saline (0.9% sodium chloride) and sterile water medical products manufactured by Nurse Assist, LLC.

The potentially contaminated products are sold under various brands and include a wide range of product types with expiration dates that extend to 2025 and beyond.

Categories of Health Alert messages:

**Health Alert** Conveys the highest level of importance; warrants immediate action or attention.

**Health Advisory** Provides important information for a specific incident or situation; may not require immediate action.

**Health Update** Provides updated information regarding an incident or situation; unlikely to require immediate action.

**Info Service** Provides general information that is not necessarily considered to be of an emergent nature.
